

**Marshalling area 2**  
Crews to pair up with opposition and proceed to start as directed by marshals.  
Crews are to remain in sight of marshals.

**Finish Line:**  
Crews are to clear this area quickly after racing and return to marshalling area 1 where they will be directed to final and plate rounds.

First Aid Box

**Start Line:**  
Crews to be call to start by marshals and umpires. This is a free start and crews will be aligned by marshals. Crews and coxswains to respond promptly to direction to avoid delays.

**Umpire station:**  
Crews to hold their station and not cut the bends. Failure to do so may result in disqualification.

**Marshalling area 1:**  
Crews to report to marshals where they will be directed to marshalling area 2 between divisions. All crews to report back here after racing!
